TENDER LOVING CARE.....

A family friendly elegant design makes this home one above the rest. A centrally located gourmet kitchen equipped with stainless steel dishwasher and appliances designed to overlook the open plan family room is one of its many features.

Four spacious bedrooms include a master bedroom with WIR and ensuite and a fresh and inviting main bathroom conveniently located near the remaining bedrooms. There are two living areas to accommodate the whole family's needs and quality fittings and fixtures have been used throughout.

Externally, the rear yard offers privacy and a low maintenance established garden with an entertaining outdoor BBQ area and garden shed. Double lock up garage with rear yard access just completes this great property. This precious home has been treated with tender loving care and is looking for its next owner to carry that on.

RUN-Don't walk as they don't come up like this every day.
