Solid as a Rock!

Location and quality describe this four bedroom family home. The many features include an ensuite in the master bedroom, three living areas, an open plan kitchen and family room. The current owners have lived in this spotless home for many years and are downsizing.

An extremely well maintained garden surrounds the external double lock up garage with large work bench. Just a short stroll to the broken river and close to shops, this solid as a rock home has all the benefits of town living.
